Subject: Complaint Investigation, 1300 E. Thoman

Per your request I contacted Mr. Clifford VanNatta, 1221 E. Thoman, concerning his complaint about a trailer parked adjacent to Backlin Enterprises, 1302 E. Thoman. Please see the location diagram below. It was Mr. VanNatta's contention that this house trailer had its sewer pipe discharging directly into manhole 46, Wye Map J-12, via the manhole opening. This trailer is parked at the southern end of the 1900 block North Prospect where it fronts the railroad tracks. There were no utilities present for this trailer or was there a sewer pipe discharging to the manhole during my visit of December 17, 1985.
